Re: U.S. v. Robert Hill
 04 CR 860

Dear Judge Buchwald:

I am the attorney for the above captioned defendant, Robert Hill and request that this letter be regarded as an application to adjourn Mr. Hill's sentencing date of December 2, 2004, to any date convenient to the court after January 15, 2005.

I have conferred with A.U.S.A. Daniel S. Daniel S. Ruzumna, the attorney representing the government as to this request and he has no objection to the Court granting this application. He has requested me to ask the court that the sentencing be re-scheduled for the last two weeks of January, 2005.

Respectfully submitted,

Felix T. Gilroy
